## THE LIVEKAYA OPPORTUNITY— ENJOY, SHARE AND GROW

Our vision at LiveKAYA™ is both far-reaching and simple: We want to grow a hugely successful company that helps our Brand Partners enjoy enormous success by sharing our product with people who love great chocolate and want to feel better.

We've all heard stories of people who got in on the ground floor of a company that went big. LiveKAYA is that kind of opportunity. We're a brand new network marketing company selling a premium product in a market undergoing explosive growth. Many people want drug-free options to support their health, and once they experience how good our chocolate tastes and how well it works, it often sells itself.

Our Revenue Share Plan is ethical, straightforward, and groundbreaking. It has none of the "gotchas" found in traditional MLMs—no structure to maintain, no pressure to recruit, and no gaps to

fill. Brand Partners are paid strictly on volume, with generous bonuses available to those eager to jump on it.

With LiveKAYA, it's completely up to you how much you want to be involved. Buy chocolate for yourself and sell to just a few customers—or, take full advantage of this opportunity and put serious cash in your pocket by enrolling a team underneath you.

Sign up as a Brand Partner for just \$24.95 annually and you'll get a LiveKAYA replicated website where you can buy chocolate for yourself at Brand Partner prices, and where customers can order directly from you. Our back office ships orders, tracks sales and pays commissions, so there's no need to maintain inventory. LiveKAYA supports you with training videos, sales resources, and more—and everything comes with a money-back guarantee.

## HOW DO I GET STARTED AS A BRAND PARTNER?

**Step 1:** Sign up as a Brand Partner, then buy a box of chocolate\* (or two) for yourself. As you use the product every day, you'll get to know how CBD chocolate feels in your body, learn how much to take, and experience the difference it makes in your own life over time.

This personal experience gives you a genuine testimonial and makes connecting and sharing with others easy and real.

**Step 2:** Give people chocolate to taste! Details about commissions and bonuses don't matter at this point (unless they ask). Nothing is more effective than letting people taste the chocolate and experience how LiveKAYA feels first hand.

Ask for feedback. While many people feel a clear difference within a half hour, some need more time—a few days, or even a month or more—to find that sweet spot of the right dosage over time.

**Step 3:** Decide if you want one, two, or three boxes every month for you and your family—and, if you wish, to use as samples to share with new people. Make sure you qualify\* to get paid sales commissions no matter how busy life gets by putting your monthly order on autopilot.

Invite others to order a box of chocolate so they can experience LiveKAYA too.

\*To get paid, at least one box (55 PV) must be ordered through your website each month, either by you or by a retail customer.

# OUR REVOLUTIONARY PAYMENT PLAN IS ETHICAL, LUCRATIVE AND ATTAINABLE

## TERMS TO KNOW

**BP** Brand Partner

**PV** Point Value of a sales unit. One unit is one 30-piece box and has 55 PV. 2 units = 110 PV and 3 units = 165 PV.

**PSV** Personal Sales Volume. The total amount of product purchased monthly by you and/or by your retail customers.

**GSV** Group Sales Volume. The total amount of product purchased monthly (including retail sales) within your entire seven-generation organization.

**GENERATIONS** The relationship of the people who sign up within your network. Also called levels, generations describe your network's lineage—like grandparents, parents, children, grandchildren and so on.

**RETAIL SALES** Any purchases made by non Brand Partners in your network, typically through your LiveKaya website. Retail sales pay the regular commission through all seven generations as well as the retail bonus of \$10.00 for each unit in your first generation, and count towards both your PSV and GSV.

**BONUS QUALIFIER** Brand Partners must maintain a standing monthly PSV (can include retail sales) of at least 110 PV to receive commissions on generations four through seven, and to be eligible for the New Recruit Bonus and all bonus pools.

**BONUS POOLS** 9% of the total company monthly PV is split into nine different pools of 1% each.

**OVERRIDE** Reach specific GSV milestones and you'll override the seven-generation plan

and earn a 1% commission on your entire lineage from levels eight to infinity.

This override is in effect until a BP below you on any one leg of your lineage reaches the qualifying GSV. At that point, you'll earn the 1% override for everyone between you and the new qualified BP on that leg, and continue to earn the override bonus on all other legs. For example, if he/she is 50 generations down, your 1% override remains in effect from levels 8–49, and their override is in effect from levels 51 to infinity.

**EVENT CASH** One-time cash bonus paid to Brand Partners with qualifying GSV at select events. Simply attend and you'll receive some fun cash to spend.

**PSV: Personal Sales Volume**

The total volume of all the product that you and/or your retail customers purchase monthly. This includes any chocolate you buy for your own use, plus orders that customers place on your website and orders that you deliver in person.  
**Pro-tip:** Put a 1–2 unit monthly order on autoship to make sure you get paid no matter how busy life gets.

**Quick Cash Bonus**  
PAID WEEKLY

Anytime a new Brand Partner enrolls in your first three generations, you'll be paid essentially double on every order they place in their first five weeks. This bonus is good forever but to be eligible, you must have placed a one-time 165 PV order in any given month. **Pro-tip:** Order three boxes ASAP to max out your earnings forever—and use some of the chocolate for samples!

**New Recruit Bonus**
